

Healthy Way to Learn IT Project Evaluation Questionnaire results

SUMMARY

Initial client interest feedback

Percent

1) What made you interested in this project (tick all that may apply)

To improve your English language skills	64.7%
To improve you ICT skill	58.8%
To learn more about diabetes	47.1%
Concerned about family or friends who have/may have diabetes	52.9%
Other . please specify	5.9%

2) What did you most want to improve by participating in this programme (tick only one)

To improve your English language skills	41.2%
To improve your ICT skills	35.3%
To learn more about diabetes	35.3%

1) Have you had any conversations with family or friends about diabetes since starting the programme

YES	94.1%
NO	5.9%

2) Have you had any conversations with them about diabetes before participating on this programme?

YES	23.5%
NO	76.5%

3) Have you passed on what you have learned about diabetes to family or friends? (E.g. Partners, family friends etc.)

YES	94.1%
NO	5.9%

4) As a result of what you have learned which of the following do you expect to change

Eat more healthy	58.8%
Cook more healthy meals	41.2%
Reduce Alcohol/ stop smoking	5.9%
Have a diabetes check with your GP	35.3%
Drink more water	35.3%
Exercise <input type="checkbox"/> more <input type="checkbox"/>	82.4%

1) As a result of this programme would you be more likely to continue with further English language training ?

YES	100.0%
NO	0.0%

2) As a result of this programme do you feel more confident about speaking or reading English?

YES	94.1%
NO	5.9%

3) Have you practiced your English language skills using Skype during the course of the programme?

YES	47.1%
NO	52.9%

4) Do you intend on using Skype to continue developing your English language skills?

YES	29.4%
NO	70.6%

5) Have you used Skype for anything else since starting the programme?☑

YES	11.8%
NO	82.4%

1) As a result of this programme would you be more likely to continue with further ICT training?

YES	100.0%
NO	0.0%

2) As a result of this programme do you feel more confident about using computers? ☑

YES	100.0%
NO	0.0%

3) As a result of this programme has your computer use changed? E.g, do you use your computer more often or for new uses?

YES	70.6%
NO	29.4%

2) Would you recommend this project to other members of your family or community?

Definitely	94.1%
Possibly	5.9%
Not sure	0.0%
Possibly not	0.0%
Definitely not	0.0%

3) Would you be interested in being a volunteer to help others use this software in the future?

YES	70.6%
NO	29.4%
